Order thereon: No 187 & 712-96 dt 29/9/02.

The marginally noted Communications from the Agent-General submitting statements showing the Consumption of arrack in the Separate Shops of the State, during the three quarters ending 30th June 02

From the accompanying abstract it will be seen that during the period of 9 months under review, the Consumption of

drunk increased in
the Cities of Bangalore
and Mysore
& in the towns of
Cheekmagalur,
Shimoga & Tumkur,
while it decreased
in the remaining
localities ~~where there were~~ separate
Shops. The largest
increase of 3585
gallons occurred in
the Bangalore city
& the highest decrease
of 5574 gls in the Kolar
Gold fields ~~&~~ for which
no reason has been
assigned. This
leaves fall in the
fields is probably
due to the high
price charged by
the Vendors owing to
~~the fixing of the~~ a minimum price gals.
~~in the price of arrack~~ having been fixed
in the Gold Fields. and leaving also
to the introduction
of (?).

I beg to submit that the additions made by the Lieutenant at the end of the draft may be omitted:—

(1) because the sale of beer was introduced into the Gold Fields from 1st July last, and it does not affect the result of the sales of drink referred to in the draft which relate to the period ending with 30th June last. (Yes)

(2) — because the maximum price of drink in the Gold Fields has been done away with from 1st July last.
